

## Development Order Application

Commercial \_\_\_\_\_ Residential \_\_\_\_\_

INCOMPLETE SUBMITTALS WILL NOT BE REVIEWED - PROPERTY ADDRESS MUST BE POSTED PRIOR TO SUBMITTAL

Separate forms and fees required for Building Permits and floodplain review.

All new construction must meet City of Mexico Beach Land Development Regulations and

FEMA's flood elevation requirements.

If placing a modular structure, you are required to have a staging plan meeting with the city.

Call 850-648-5700 to schedule.

Site Plan with square feet of structures, impervious surface, trees to be removed from property, and setbacks. Setbacks are measured from the closest vertical structure to property line.

Project Address: \_\_\_\_\_

Project Description: \_\_\_\_\_

Project Square Footage: \_\_\_\_\_
