PROGRESS OF REBUILD/REPAIRS OF HOME (Building permit, estimate of completion, current progress)

Pictures attached showing vertical construction: YES ____ NO ____

Acknowledge and verify the following:

- I was the owner of the listed property prior to October 10, 2018, and I am rebuilding or repairing a house that was damaged or destroyed by Hurricane Michael. Initials _____
- I understand there must be substantial progress in construction and work activity is maintained for the permit to remain valid. This determination is solely at the discretion of the City. Initials _____
- I understand there will be a \$250.00 permit fee due on the 20th of each month the permit is valid. Failure to pay the month fee on time will result in the permit being null and void. Initials _____
- I understand the permit is only allowed until a certificate of occupancy is issued or the date of October 31, 2022, whichever comes first. At that time the RV must be removed from the property immediately. Initials _____
- I understand it is my responsibility to keep the RV and surrounding area neat, clean and remove any household trash. The RV must be connected to the city's water and sewer system and pay the monthly rates or be completely self-contained and use a licensed dumping station for disposal. Initials _____
- I understand that if for any reason the permit becomes null and void the RV must be removed from the property immediately to avoid violations and fines. The City reserves the right to void a permit at any time for any reason at the discretion of the City Manager. Initials _____

Signature of property owner or authorized agent: _____

Signature of City Administrator: _____

****Place permit sticker visible to the road****
