**RE: Memorandum of Agreement with City of Mexico Beach**

Dear Mr. Hubbard:

Enclosed are four (4) originals of a Memorandum of Agreement (MOA) between the City of Mexico Beach and the Florida Department of Transportation. If your City desires to enter into this agreement with the Department, please execute and seal each original and return all copies to this office along with the corresponding Resolution covering this work. Final execution of this agreement is contingent upon funding.

Please note that the unit costs associated with various routine maintenance activities reflect for the most part a decrease in the funding levels provided by previous MOAs. The following unit costs will be utilized as applicable for this MOA:

- Activity No. 471 - Mowing, Regular/Large Machine - \$15.76 / acre
- Activity No. 482 - Slope Mowing - \$80.89 / acre
- Activity No. 484 - Intermediate Machine Mowing - \$53.44 / acre
- Activity No. 485 - Small Machine Mowing - \$65.71 / acre
- Activity No. 541 - Litter Removal - \$7.27 / acre
- Activity No. 543 - Roadsweeping (Mechanical) - \$33.83 / curb mile
- Activity No. 545 - Edging and Sweeping - \$137.36 / edge mile
- Activity No. 493 - Landscaping - \$532.40 / acre

The above unit costs are reflective of the actual State Fiscal Year 2013/2014 budget to be received by the District Three Maintenance Office for these respective items. Additionally, in lieu of the traditional MOA format that has included an initial one-year term (with two one-year renewals), you will note that the attached MOAs have been prepared to be executed as a 1-year contract with no renewals.

Please return your executed agreements to our office by May 31, 2013. If circumstances will not allow you to return these documents by this date, please notify our office as soon as possible. In the event that your municipality determines that it cannot perform the subject work at the reduced rates, while at the same time providing the same level and quality of service, the

Department will rebid the associated work. The Department will proceed with putting the work out to bid if we do not receive a response from you prior to May 31, 2013.
