

CITY OF MEXICO BEACH
WATER TANK AERATION SYSTEM

**ADDENDUM NO. 2
REQUESTS FOR INFORMATION**

Issued February 28, 2025

The Bid Due Date and Time has changed. Bids are due on Wednesday, March 12th, 2025 until 3:00 p.m. (Central).

The following questions were received from potential bidders and are being addressed below:

1. My final question pertains to the extension to the due date that I requested in my previous email. I understand that it was denied in the addendum, but I would still like to request it again. A new electrical plan was added in the addendum (sheet E1.0). With the addendum being issued a week before the submission we would like to request 3-5 business days of additional time to provide the plans to electrical subcontractors. It will take time for any potential electrical subs to review the plans and provide us with a quote. We would like to provide our potential sub with more time to accurately quote their proposal.

City's Response to Request for Information Question No. 1: The bid due date has been changed to Wednesday, March 12th, 2025 until 3:00 p.m. (Central).
