

Addendum No. 6 – Mexico Beach Pier

July 18, 2025

1. At the request of a bidder, the City will allow two bonds for this project:
 - a. One bond for the purchase of major materials
 - b. A second bond for the Pier construction, and purchase of remaining materials

2. The wire mesh in the Pier railing will be:
 - a. 6 gauge .192, 2" x 2" 304 stainless wire mesh. McNichols Model No. 3802190051 or equal.

3. The list of documents to be included with the bid submittal shall **not** include items 6 and 7 on page 00020-1. These are FDOT forms and are not required for this project.
